

Pregnancy Agreement Issues - Example

Note: This is a sample. You may use a portion or all of this information in your practice. Any other use of this material is strictly prohibited.

Pregnancy

I attest that to the best of my knowledge I am not pregnant. I understand that the effects of narcotic pain medication on unborn children are unknown. I attest that I will use appropriate birth control during the course of my treatment. I further attest that if I am pregnant or become suspicious that I may be pregnant or attempt to become pregnant, I will notify Dr. _____ or his/her staff immediately. I accept the fact that it is my responsibility to immediately notify Dr. _____ or his/her staff if I become pregnant or become suspicious that I may be pregnant. I understand that using narcotic pain medication while pregnant may cause serious defect or death to the unborn or born child. Understanding this I give my consent to Dr. _____ or his/her staff to prescribe me opioid analgesics, otherwise known as narcotic pain medication to control my pain and I hold Dr. _____ and his/her staff harmless for any defect to my unborn or born child that may have been caused by the use of opioid analgesics.

I attest that I understand and agree to each issue displayed on this page:

Patient's Signature Date

I attest that I have explained each issue displayed on this page to said patient and said patient indicated the understanding of each issue.

Staff's Signature Date
